

glympss Privacy Policy

Last updated: 06/15/2026

This Privacy Policy describes how Near Field Partners LLC (“Company,” “we,” “our,” or “us”) collects, uses, stores, and protects information related to glympss (“Service”).

By using glympss, you, the User, agree to the practices described in this Privacy Policy.

1. About glympss

glympss is a digital storytelling and NFC-enabled memory-sharing platform that allows users to connect physical products and experiences with digital content including:

- voice recordings
- photographs
- written messages
- memorial experiences
- event content
- linked media
- digital greeting experiences.

When this Privacy Policy refers to “glympss,” “we,” “our,” or “us,” it means Near Field Partners LLC as the legal owner and operator of the glympss website, apps, and related services.

glympss may be accessed through glympss.com, through mobile apps, or through other domains we operate.

All privacy related questions, requests, and related communications are handled by Near Field Partners LLC.

2. What This Policy Covers

This Privacy Policy explains:

- Information we collect
- How we use it
- When we share it
- Your rights and choices
- How to contact us.

This policy applies to all glympss products and services.

3. Information We Collect

We may collect the following categories of information:

A. Information You Provide Directly

We collect information you choose to give us, such as:

- account details (name, email, password, shipping address)
- content you create (photos, audio recordings, videos, written messages, designs, linked content, memorial content)
- support messages or feedback.

You always control the content you create.

B. Information Collected Automatically

When you use glympss, we may collect:

- IP address
- browser type
- operating system
- device type
- NFC interaction data
- pages visited
- referral information
- usage activity.

C. Payment information

Payments may be processed through third-party payment providers. glympss does not store complete credit card numbers or details.

4. How We Use Information

We may use collected information to:

- provide and operate glympss services
- host and display user content
- process payments
- provide customer support
- improve functionality and performance
- personalize user experiences
- communicate service updates
- maintain platform security
- comply with legal obligations.

5. Sharing of Information

We do not sell personal data. We do not use your data for advertising. We do not use your data to train external AI systems.

We may share information with:

- hosting providers
- payment processors
- analytics providers
- cloud infrastructure vendors
- customer support providers
- legal authorities when required by law.

Third-party providers may process information on our behalf subject to their own policies and contractual obligations.

6. NFC and Public Sharing

Some glympss experiences are intentionally designed to be shared through NFC-enabled methods.

Users acknowledge that:

- anyone with access to an NFC-enabled item may potentially access associated content
- recipients may further share links or content
- public or semi-public sharing may reduce privacy protections.

Users are responsible for determining what content they choose to share

7. Memorial and Emotional Content

glympss may host sensitive personal memories, recordings, or memorial experiences.

While we strive to protect user information, users understand that:

- no internet-based service is completely secure
- shared content may be copied or redistributed by recipients
- emotional or sentimental content carries inherent personal risk.

8. Data Retention

We retain information as reasonably necessary to:

- provide services
- maintain accounts
- comply with legal obligations
- enforce agreements
- resolve disputes'

Inactive or unpaid accounts may eventually result in deletion of hosted content.

9. Cookies and Analytics

glympss may use:

- cookies and similar technologies
- analytics tools
- tracking technologies

- session storage
- performance monitoring tools.

These technologies help improve user experience and platform functionality.

Users may disable cookies through browser settings, though some features may not function properly.

We do not use cookies for advertising or cross site tracking.

10. Security

We implement commercially reasonable safeguards designed to protect information including:

- encrypted connections (https)
- secure data storage
- access controls
- regular security reviews.

However, no method of transmission or storage is completely secure.

Users acknowledge and accept these risks when using glympss.

11. Children's Privacy

glympss is not intended for children under 13.

We do not knowingly collect personal information from children under 13 without appropriate parental consent.

12. User Rights

Depending on jurisdiction and applicable law, users may have rights to:

- access their information
- update account information
- request deletion of content
- request account closure
- opt out of certain communications.

Such requests may be subject to verification and legal limitations.

13. Third-party Services and Links

glympss may contain links or integrations involving third-party services including:

- music platforms
- cloud services
- social media platforms
- payment systems
- analytics providers

We are not responsible for third-party privacy practices or services.

14. International Access

Users accessing glympss outside the United States understand that information may be processed and stored in the United States or other jurisdictions.

15. Changes to this Privacy Policy

We may revise this Privacy Policy periodically.

Continued use of glympss after updates constitutes acceptance of the revised policy.

16. California and State Privacy Rights

Residents of certain states, including California, may have additional privacy rights under applicable law.

Requests regarding personal information may be submitted through our contact channels
